"Art Tour 'Aichi Triennale 2010' with Director Nanjo"

[04SEP2010(SAT) 1DAY]

The spectacular art event "Aichi Triennale" in the summer of 2010 deserves much attention.

This event includes many artworks by artists who have participated in exhibitions at the Mori Art Museum (MAM). To seize this special opportunity, we planned a special art tour for MAMC members, with Mr.Fumio Nanjo, the Director of MAM as tour leader, and also staff of "Aichi Triennale" as our special guide, which will certainly give the members a chance to fully appreciate the exhibitions.

You can surely expect a tour full of fun, discoveries, and surprises! Let's enjoy talking and discussing about art with Mr.Nanjo at lunch gathering! During this tour, we will also have a opportunity to meet Mr.Akira Tatehara, curator of the National Museum of Art in Osaka, who is the art director of "Aichi Triennale".

We look forward to meeting you in Nagoya.
